2022 "Matinee" GSM

Santa Barbara County

This beautiful blend of Grenache, Syrah and Mourvedre came from several premiere vineyards in Santa Barbara County. Grenache and Syrah came from Larner and Bien Nacido Vineyards, and the Mourvedre is from Camp 4 Vineyard in Santa Ynez. These three varietals seamlessly complement one another. Larner Grenache provides the ripe berry nose and juicy red fruit on the palate. Bien Nacido Syrah balances with spice and floral nuances, and it's all capped off with just a touch of Mourvedre to contribute its dark color, earthy flavors, and complex finish. Despite being a dark and powerful wine, the fine and subtle tannins make it a great pairing option for a variety of comfort foods.

Vinification: Aged 18 months in 25% new French oak.

Clones: Estrella, 877, 362

Soil: Sandy loam, diatomaceous earth, limestone

Alc: 13.9%

pH: 3.56
