2022 LE SÉDIMENTAIRE CHARDONNAY

Le Sédimentaire is sourced from a small vineyard rooted in shallow, silty-sandy soils just 40 centimeters deep. Beneath lies a fractured white sedimentary rock composed primarily of sand and silt, marked by a naturally acidic pH. Though it resembles limestone in appearance, the terroir has a distinct identity, lending the wine a refined structure, mineral lift, and graceful aromatic profile.

Varietal: 100% Chardonnay

Appellation: Willamette Valley

Vineyard: Loubejac

Age of Vines: 19 years

Harvest Date: 10/7/2022

pH: 3.27

Alcohol: 13%

Cases Produced: 150

Retail: \$100
